

Pursuant to 28 U.S.C. 1746 I declare under penalty of perjury that the following is true and correct:

My name is David Morales. I am a prisoner in the Close-Custody High Security wing at the Alford Unit. On 2-24-19, around 11:15 am, me and my cellmate "Brandon Miner - #174908" were having problems. Instead of trying to kill one another, we decided one of us would move.

Offender Miner contacted the pod officer (Unknown) and told him that he would beat my ass if I wasn't moved out of the cell. The officer called Sgt. Bright (A big fat white man wearing a cap.)

The Sgt. came with a tall white officer, Miner told the Sgt. his intentions. The Sgt. stood there and told him he's not going to move anyone until he see's us fight. Offender Miner told him I didn't want to fight, so the Sgt. stood there saying "I'm waiting", "you going to get him or what"?

Offender Miner and I asked if he was making us fight. The Sgt. said, "Yeah I wanna see yall fight." I never got up from sitting down. As I was attacked, the Sgt. and the other white officer stood watching and never intervened. He waited for us to stop on our own, then took offender Miner out of the cell and taunted me how I defended myself. The Sgt. commented that this was the worst fight that he has instigated. He regretted that he didn't see any blood.
